

Use this form to request a preliminary examination for your trademark from the Finnish Patent and Registration Office (PRH).

Please note that both the request and the examination results are confidential.

See our website for more information about preliminary examinations, and their contents and prices:

www.prh.fi/preliminary_examinations_of_trademarks

You can fill in this form in PDF format at www.prh.fi/trademark_forms

Type of examination

Please indicate the type of examination you want. Select one of the following options.
Comprehensive preliminary examination
Word mark
Figurative mark
Mark consisting of words and figurative elements
Limited preliminary examination
Risk of confusion
Distinctive character

Details of the trademark to be examined

Indicate the trademark to be examined. If the mark includes figurative elements, enclose a picture of the trademark. Indicate the types and classes of goods and/or services for which you want us to carry out the examination. Please note that we will only examine one trademark per request.
Trademark to be examined (enclose a separate document if needed)
Class of goods and/or services to be examined (indicate classification terms of goods and/or services)

Your details

Give your company name and Business ID, or your name and personal identity code. If necessary, give your reference. Give the email address or postal address to which the results should be sent. Give details of the person providing further information about the subject of the search. The request is confidential, and we will only be in touch with you and the person, given below, providing further information.
